

## Reflection

This week, I **can**:

Write each of the following in Arabic:

Fork:	Knife:	Spoon:	Cup:
Plate:	Napkin:	Bitter:	Sweet:
Salty:	Inside:	Outside:	Waiter:
Chef:			

I can say each of the above: (give a 3 if you are solid, 2 if you are shaky, 1 if you are lost)

Fork:	Knife:	Spoon:	Cup:
Plate:	Napkin:	Bitter:	Sweet:
Salty:	Inside:	Outside:	Waiter:
Chef:			

I can participate in a socratic seminar on cultural appropriation: write your final thoughts below, do you agree that is an example of appropriation to wear the Hijab in a Mosque if you are not Muslim? When does participating respectfully in another culture become cultural appropriation?
